

## Four Corners Guides Covid Policies & Protocols

### Keeping you safe is our top priority

Please read before starting a trip. Following the guidance of Colorado's San Juan Basin Public Health and CDC, we have implemented best practices for your safety including:

- Guests must fill out a Health & Safety questionnaire 2 to 3 weeks prior to arrival, and may be asked to postpone the trip if they have Covid-19 symptoms or otherwise indicate they may have been in contact with someone with Covid-19.
- We are requesting guests who feel sick with symptoms such as fever, coughing, and fatigue, or who have been in contact with anyone who is not feeling well, to not enter Four Corners Guides' base camp Ranch or shuttle. Please stay away from others and call your doctor if you need medical assistance.
- We are requesting guests and staff keep 6 feet of distance between themselves and others.
- We are requesting guests wear face covers along with our staff when in the shuttle or if the situation necessitates being within 6 feet of one another.
- We are requesting guests and staff to take everyday precautions of covering nose and mouth when coughing or sneezing.
- We are requesting guests do not share any food or equipment unless they are in the same family or are friends who signed up together.
- We ask that our staff members stay home if they are not feeling well.
- We are disinfecting any surfaces guests and staff might come in contact with throughout the day.
- All guests must wear masks if riding in the FCG shuttle. If guest does not have a mask, FCG will provide him/her with one.
- All guests will be provided with a "Sanitation Packet" if they do not already have one. This kit includes baby wipes, hand sanitizer with a minimum of 72% alcohol, Clorox/disinfectant wipes, and toilet paper (on overnight trips).
- Guests will be asked to regularly utilize their hand sanitizer and use their Clorox/disinfectant wipes on handles, knobs, and other surfaces they might touch at Scullbinder Ranch after they are finished using the bathroom or other common areas.

Please sign and acknowledge that you have read through these guidelines and are willing to follow them to the best of your abilities:
